

Hunter-GC Joint Mathematics Day

May 1st, 2012

Applied Math at Hunter and Graduate Center of CUNY

HUNTER-GC JOINT MATH DAY

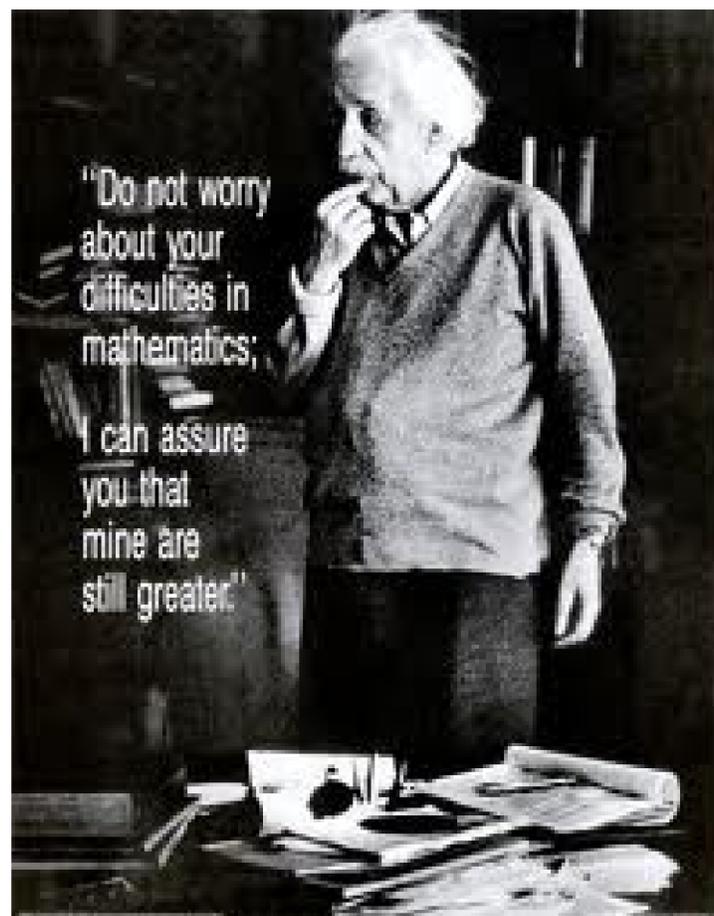

Department of Mathematics at Hunter College offers a Master of Arts program in Statistics and Applied Mathematics. This joint mathematics day with the Graduate Center of CUNY, which is the doctoral program of CUNY, invites students and faculty members at CUNY and nearby institutions for one day of mathematical activities. Students from both programs will report their very own research projects on this special event.
