

CSI Mathematics Undergraduate Lecture Series

March 9, 2017

Guest Speaker: Dr. Moon Duchin

Time and Location

2:30-3:30pm, March 9, 2017
Building 1P-119, Lecture Hall
College of Staten Island, CUNY
2800 Victory Blvd., Staten Island,
NY 10314

Title

Random Everything

Speaker: Moon Duchin,
Tufts University

Associate Professor of Mathematics
Director, Program in Science,
Technology, & Society

Fellow of the American
Mathematical Society

The Lecture

Random structures, random walks,
random paths, and random words:
Everything in math gets better
when you learn to stop worrying
and roll the dice.

You are invited!

All are welcome; no special physics
or mathematics knowledge is
required.

Sponsors

Dept of Mathematics, CUNY-CSI
and Simons Foundation
